Two Armed Robberies: Looking for Suspect Identity

CONCORD – The Concord Police responded to armed robberies at local businesses on 05/28/2017 and 05/29/2017, respectively. Concord Police believe the same person committed both robberies.

The first robbery occurred on 05/28/2017 at approximately 2:25 pm at the Family Dollar located at 108 Fisherville Rd, Concord, NH. Witnesses reported that a lone white male arrived at the store on a dark colored mountain bike, then entered the store. A short time later the suspect passed the clerk a note indicating that he had a firearm and ordered the clerk to empty the cash register. The clerk complied with the demand. The suspect then fled the area on the mountain bike. No one was injured during the incident. Responding Officers collected evidence at the scene, which is being evaluated and analyzed at this time.

The second robbery occurred on 05/29/2017 at approximately 3:20 pm at the 7-Eleven located at 125 Loudon Rd Concord, NH. Witnesses reported that lone white male entered the store. After a few minutes he approached the clerk and passed a note claiming to have a gun and demanded that the clerk empty the cash register. During the encounter the suspect made a motion toward his waist indicating that he may be armed. Once the money was handed over, the suspect fled the store on foot in a westerly direction along Loudon Rd towards the area of McDonald's. No one was injured during the incident. Evidence and store video was recovered at the scene. Concord Police were assisted at the scene by Troopers and a K-9 from the NH State Police.
